**To help reduce the spread of COVID-19, clients will no longer be allowed in the facility.**

**We will not accept any personal items to stay with your pet (bedding, toys, collars/leashes, carriers, ect.).  
If you plan on bringing your own pet food from home, it must be in a hard plastic container that we can  
sanitize upon intake.**

*Please make sure your pet is on a leash or in a carrier upon arrival or we will not be able to take them from you.*

#### PLEASE FILL OUT THIS FORM AND RETURN PRIOR TO YOUR SCHEDULED RESERVATION

When you arrive, please drive around to the side of the building to the parking spots labeled for boarding curbside service, then call to check in. After check in, a member of our staff will escort your pet inside. If you have a dog, please wait outside of your vehicle with your leashed dog standing on the ground so our staff can safely apply one of our leashes and you may remove yours with as little human contact as possible. If you have a cat, we ask that you leave your cat in a secure carrier in front of the grooming shop door for our staff to bring inside safely with as little human contact as possible. Cat carriers will be returned to the owner after check-in, please be patient for carriers to be brought back out. If you are bringing your own food for your pet, we ask that the container is also outside your vehicle ready for our staff.

When you return to pick up your pet, we ask that you call from the designated parking spots lot to let us know you are here and we can arrange payment over the phone. One of our staff members will meet you outside of your vehicle to safely return your dog, if you have a cat, they will be placed in front of the grooming shop door.

We care about your pets health as much as we do yours. If you are showing any signs of illness or have been exposed to COVID-19, we ask that you stay home.
